

# MIND THE GAP

Our Mind The Gap campaign was launched last year, as part of the Union's continuous work to tackle racial inequality at Brookes.

The campaign consists of various ongoing projects within the Union, all with the same end goal: To improve the experiences of Black students at Brookes.

At Brookes Union, we know that several factors can impact the student experience.

We'll be focusing on four key areas:

1. Education and Curriculum
2. Student Experience
3. Mental Health and Wellbeing
4. University Policies

You can get involved with the campaign by filling out the survey, or taking part in a focus group. The information collected will then be used to write a report displayed on the Union website, with the aim of improving the student experience at Brookes!

If you'd like to take part or find out more about the campaign, we'd love to hear from you! Email Jardel on [p0091944@brookes.ac.uk](mailto:p0091944@brookes.ac.uk)
